

## **Recovery from “The 2011 off the Pacific coast of Tohoku Earthquake”**

(Update 1, as of 6:00 pm, March 13)

The impact and recovery efforts from the 2011 off the Pacific coast of Tohoku Earthquake which occurred in the afternoon of March 11 at the 3 affected Sanken production sites are as follows.

1. None of the production sites confirmed human casualty, and none of the buildings suffered major damages.
2. The production at Yamagata Sanken Co., Ltd. (Higashine, Yamagata Prefecture), Fukushima Sanken Co., Ltd. (Nihonmatsu, Fukushima Prefecture) and Kashima Sanken Co., Ltd. (Kamisu, Ibaragi Prefecture) is currently placed on halt. The supply of electric power was resumed earlier today, and the review of the earthquake impact on production equipments and analysis of recovery measures are underway. The projected recovery schedule will be announced when and as appropriate.
